

P5 – Cracow University of Technology

Kinga Korniejenko

Cracow University of Technology: fact and figures

- Founded in 1954
- Approx. 18 000 students in 2013/14
- More than 2 120 staff members
- International cooperation:
 - Lifelong Learning Programme (LLP)
 - Bilateral agreement (38 countries in 2013)

Cracow University of Technology: fact and figures

Number of students	
Total	17 941
Full-time students	13 929
Extramural students	4 012
Doctoral candidates	282
Postgraduate students	836
Faculties	7
Inter-facults units	11
Courses of study	25

University structure

- 7 Faculties

- Other units

- Centre for Education and Organisation of Quality Maintenance Systems
- International Centre of Education
- Pedagogy and Psychology Centre
- Sports and Recreation Centre
- Library of the CUT

Faculty/department involved.

- **Faculty of Mechanical Engineering**
 - **Institute of Applied Mechanics**
 - **Institute of Materials Engineering**
 - **Institute of Machine Design**
 - **Institute of Automobiles and Internal Combustion Engines**
 - **Institute of Thermal and Process Engineering**
 - **Institute of Production Engineering**
 - **Institute of Computing Science**
 - **Institute of Rail Vehicles**
 - **Institute of Industrial Apparatus and Power Engineering**
 - **Laboratory for Coordinate Metrology**

Cracow University of Technology: Faculty of Mechanical Engineering

Stakeholders interested in the project outcomes/activities:

INSTYTUT SPAWALNICTWA
Polskie Spawalnicze Centrum Doskonałości

Local project team.

**Janusz
Mikuła**

**Kinga
Korniejneko**

**Paulina
Kuźniar**

**Katarzyna
Lichwa**

Contacts.

Prof Dr Eng Janusz Mięka
Prof in material sciences
Head of the Institute of Material Science

CUT | Faculty of mechanical engineering
