

# **P11 – KAZAN NATIONAL RESEARCH TECHNICAL UNIVERSITY n.a. A.N.Tupolev-KAI (KNRTU-KAI)**

**Dr. Alexander Snegurenko**

Head of International Relations Department

# The University's Key Dates

**1932 - founded as Kazan Aviation Institute (KAI)**

**1992 – received a status of State Technical University**

**2009 – received a status of National Research University**

**Administration Building in the downtown**

**Modern Building in a new campus**

# University: fact and figures

- **Total Number of Students – approx. 18 000**
- **Licensed B/DE/M/PhD/DSc Programs – 160**
- **Number of Academic Institutes & Faculty (in Kazan) – 6**
- **Number of Departments – 46**
- **Research-Educational Centres – 10**
- **Research Laboratories – 57**
- **Teaching and Research Staff – approx. 1000**
- **Full Professors and D.Sc. Degree Holders – 120**
- **Assoc. Prof. and Ph.D. Degree Holders – 500**
- **Members of Academies of Sciences (incl. Int.) – 34**
- **Number of Branch Institutes (outside of Kazan) – 8**
- **Alumni 80 000+**

# Subject Areas of the University

- **Aircraft and Aircraft Engines Engineering**
- **Land Vehicles Engineering**
- **Machinery Engineering and Material Sciences**
- **Power Engineering, Electrical Engineering and Heat Power Engineering**
- **Instrument Making, Control Systems and Opto-Electronics**
- **Radio-Electronic and Info-Communication Technologies and Telecommunication Systems**
- **Electronics, Microelectronics and Nanoelectronics**
- **Computer Systems**
- **Applied Informatics, Software Engineering**
- **Economics, Management, Marketing, Sociology, Public Relations**

# University Academic Structure

- **Institute of Aviation, Land Vehicles & Energetics**
- **Institute of Automation & Electronic Instrument-Making**
- **Institute of Technical Cybernetics & Informatics**
- **Institute of Radio-Electronics & Telecommunications**
- **Institute of Economics, Management and Social Technologies**
- **Physics & Mathematics Faculty**

# Faculty/department involved

## **INSTITUTE of AVIATION, LAND VEHICLES & ENERGETICS**

### **DEPARTMENTS:**

- **Material Engineering, Welding & Industrial Safety**
- **Flying Vehicles Production**
- **Strength of Constructions**

# KNRTU-KAI new Campus

# Sports Facilities

**Multifunctional Complex "KAI-Olympus" 50-meter Swimming Pool**

**Indoor Playground**

**Outdoor Playground**

## Stakeholders interested in the project outcomes/activities:

1. JSC Kazan Aviation Production Association,
2. JSC Kazan Helicopters,
3. JSC "KAMAZ",
4. JSC Kazan Engine Industrial Association
5. JSC Zelenodolsk plant named after A.M. Gorky
6. JSC Experimental Design Bureau "Sokol"
7. JSC Design and Production Enterprise "Aviamotor", etc.

# Local project team

## Team leaders

**Prof. Dr. Stanislav Tarasevich**  
Director of Institute of Aviation, Land  
Vehicles & Energetics  
**E-mail:** [iante@iante.kstu-kai.ru](mailto:iante@iante.kstu-kai.ru)

**Dr. Alexander Snegurenko**  
Head of the International  
Relations Department  
**E-mail:** [icd@kai.ru](mailto:icd@kai.ru)

## Local project team

**Prof. Dr. Engel Galimov** – Head of the Material Engineering, Welding and Industrial Safety Dept.

**Prof. Dr. Valentin Khaliulin** – Head of the Flying Vehicles Production Dept.

**Prof. Dr. Vladimir Kostin** – Head of the Strength of Constructions Dept.

**Dr. Anatoly Potapov** – Head of the Educational-Methodical Center

**Dr. Rinat Khaziev** – Head of the Unit of Licensing and Accreditation

**Mrs. Liudmila Murtazina** – Vice-Head of the International Relations Department
