

# P15 - National Technical University of Ukraine "Kyiv Polytechnic Institute"

## Faculty of Physical Engineering

Iurii Bogomol

# NTUU “KPI”: fact and figures

- Founded in 1898, 116 years of university experience
- More than 25000 students in 2013-2014
- More than 10000 staff members
- Member of International networks:

FEMSCelebrating 25 Years  
EPMA  
european powder metallurgy associationURAN  
Ukrainian Research and Academic NetworkGÉANT

## NTUU “KPI”: fact and figures

- 25000 students for the academic year 2013-2014

Distribution:

- 44 % Bachelor
  - 46 % Master
  - 10 % Other
- 851 PhD students
- 33 Doctorants

# University structure

19 Faculties

10 Institutes

152 Departments

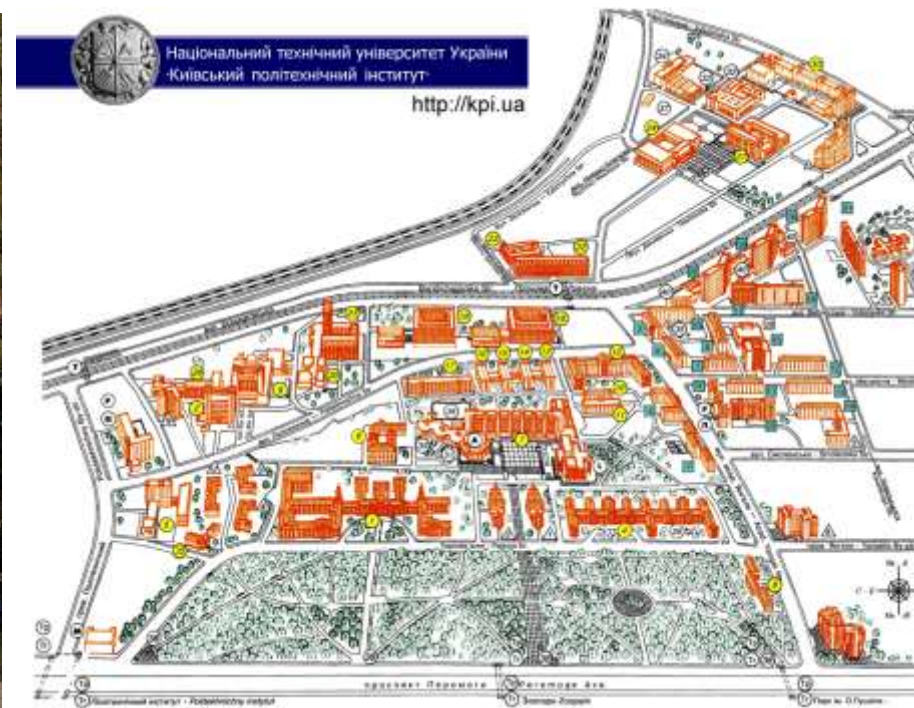

118 Specialties

# Faculty/department involved.

## Faculty of Physical Engineering:

- Department of High-Temperature Materials and Powder Metallurgy;
- Metal Physics Department;
- Department of Metal Science and Thermal Processing;
